Question Pod Check

Use the question pod to type in where you are in the world and how the weather is there.

A screenshot of the GoToWebinar software interface. The window has a menu bar with "File", "View", and "Help". Below the menu bar, there are two main sections. The top section is titled "Audio" and contains options for "Audio Mode": "Use Telephone" (selected with a green radio button) and "Use Mic & Speakers" (unselected with a white radio button). Below these are fields for "Dial:", "Access Code:", and "Audio PIN:". A note at the bottom of the Audio section says "If you're already on the call, press # # now.". The bottom section is titled "Questions" and is highlighted with a red rectangular border. It contains a large text area for typing questions, a smaller text area at the bottom with the placeholder text "[Enter a question for staff]", and a "Send" button to the right of the text area. At the very bottom of the window, there are fields for "Club Websites" and "Webinar ID:", and the "GoToWebinar™" logo.

Welcome to The Rotary Club of Woodland Hills!

We invite you to take a look around and find out more about our Club and about Rotary.

Rotary is an organization of business and professional persons united world wide who provide humanitarian service, encourage high ethical standards in all vocations, and help build goodwill and peace in the world.

The Rotary connection is a personal one and provides an opportunity to live a "Service Above Self" lifestyle giving back to the community both locally and world wide.

If you are interested in learning more, please join us for lunch! We meet every Wednesday, at noon, at the Woodland Hills Country Club. Reservations are not necessary and the cost is \$20. For directions, refer to the Meeting Information link.

Yours in Rotary,
